“ *Please accept my Deepest Sympathy on the Transition of your Beloved Wife and your Loving Mother. I know that no one's words can remove the sting of this loss. I would like you to know that during the brief time that I spent talking to Trish at Bucknell's Homecoming in 2014, it was easy to feel the beauty and sincerity of her light.*

*As a '78 graduate it was refreshing to listen, reflect, and enjoy Trish's unique perspective on her Bucknell experiences. As she shared the Wisdom of her experiences, our Small Group shared ways we could support current students and incoming students. After Homecoming, I forwarded an email to Congratulate her on the appointment as Chairperson to the U.S. Parole Commission when it was featured in the Bucknell Magazine. I was SO Proud, even though I didn't know her way. Trish very Humbly accepted the compliment. She truly was a Beautiful Light in our World.*

Patricia was one of my oldest friends and I will miss her. We were close during our formative years, hanging around her beautiful recreation room at her home at Barnstable Court as teenagers talking about boys, our futures and whatever were the funniest moments that we had had in school. Patricia, as a girl, was a unique spirit. She was a quick wit, she loved to laugh and she was the life of the crowd all while being studious, serious and focused. She was a gorgeous bride, loyal daughter, and terrific mom. To me, best of all, she was a good friend and Girl Scout. Love and Peace, Lynn Jackson

“ *Words could never express the level of grief we all feel. Trish was a phenomenal woman, who was a friend, mentor, sister and leader to all who came in her life. Her spirit was boundless. Her devotion unmatched. She was the star, the moon the entire universe all bound up in her. God blessed us to share a few moments with her.*

“ *Tricha and I were inseparable in grade school. We went to Shrine of the Sacred Heart in Mt. Washington. We ran lost and found, we did the mail delivery, we helped in the library. We spent the night at each other's house. We terrorized her brother. I love you Pat.*

“ *WOW! We connected when I got a call from a Pat, a mom concerned about her child's educational experience. I will never forget that call. “Jeana, I need your help.” I had the pleasure...and then we met each year for career day and touched bases randomly for no reason at all. You are missed Patricia Smoot. I always felt your genuine spirit. May God Bless your family and precious children now more than ever.* ”

“ Patricia Smoot brightened my day whenever we encountered each other. She was a special spirit that gave life to the courthouse and other places to cause momentary stressors to melt away. To the family, thank you for sharing her. You are in my thoughts and prayers.

“ I have known "Trish" since our freshman year at Bucknell where we bonded from our shared Baltimore roots. I was fortunate in that the last few years of her life, she was an Ex-Officio Commissioner at the US Sentencing Commission so I was able to see her once a month. I will always remember that smile and laugh and the sincerity in her heart. Thanks for being my friend Trish
