“ I and sorry to learn of the loss of your family member Jerry to death. I know that this was a difficult time. I am forwarding scripture that will comfort. Psalm 90:10 says that the usual human life span is 70 or 80 years. That was true when Moses wrote it, but that was not so from the beginning. (compare Genesis 5:3-32.) Hebrews 9:27 says...It is reserved for men to die once for all time. This, too, was true when it was written. But it was not the case before God passed judgement on sinful Adam.##imported-begin##JT Nunnally##imported-end##

The time is coming when no one will ever lose a dear loved one in death again. The greatest new ever told. “ To the family of Jerry Green I just read about the recent death of your love one. I am deeply concerned about the sorrow and distress that you must be experiencing. I have some GOOD NEWS to share with your regarding loss. The Bible promises us that we will have the opportunity to see our dear love ones again. At John 5:28, 29 Jesus Christ assures us that “everyone in the memorial tombs will hear his voice and come out”. The promise of a resurrection is held out to all those falling asleep in death (Acts 24:15). Jehovah God has promised obedient mankind at Revelation 21:1-4 that very soon pain, sickness and yes even death will be no more, because according to 1John 4:8 “God is love”. I sincerely hope these words brought your family comfort##imported-begin##Louise Hibbler##imported-end##

“ To the family and friends, I offer my condolences. It truly is unfortunate that we must experience the sorrow associated with the loss of one we love. May you find comfort and strength from the "God of all comfort" (2 Corinthians 1:3,4) who promises at Isaiah 66:13, "Like a man whom his own mother keeps comforting, so I myself shall keep comforting you people."###imported-begin##Gwen Winston###imported-end##
