

Jerry Hines

August 3, 1956 - January 30, 2021

JERRY HINES was born in Newark, NJ on August 3, 1956 fifth born child of Hildred "Hilda" Edwards.

Jerry lived in Newark for the majority of his life and was a proud graduate from the Newark Public School system. He worked in a variety of jobs in Newark including the Marriott Hotel, Newark International Airport as a transport driver for Avis. There is where he met and married Veron Watson. The union produced two children, Nichole and Jerry Hines, Jr. His last position in NJ was at Middlesex County College.

Jerry relocated to Richmond, VA where he worked for then United Property Associates at Villas at Oakland Chase Apt. Complex in 2010 and then moved on to Colonial Apts. in Richmond, VA until he became ill.

Jerry was a multi talented, and uniquely skillful man. He was a hard worker on and off the job, a handyman, craftsman and by nature a mischievous person. He LOVED playing pranks on family and friends! Jerry loved jazz, R&B music, going to concerts and the movies. He loved his Western movies most of all! He also loved to cook. He made the most delicious potato salad, oh he would put his foot in it! He also made a variety of cakes for family and friends, peas & rice etc., and he loved APPLE PIE. He had a passion for cars AND your car could not be dirty in his presence!

He would comment and let you know about it in a heartbeat, "you need to wash your car" or he would wash it until it shined.

He loved his family... ALWAYS looking out for us.

Jerry will be missed but he will NEVER BE FORGOTTEN.

He was predeceased by his Mother Hildred "Hilda" Edwards, oldest Brother Willie Edwards, Jr., siblings, Barbara Batson, Daaiyah Muhammad, Eric Hines (Darlene), Larry Muhammad, Judy L. Edwards, spiritual sister and brother Jeannette and Milton Robinson.

“ In June of 2019 I quit my job as a teacher to help take care of my Dad who was very sick. We ended up having to sell our house and move into an apartment. We moved in next door to Lynn and Jerry. They were the best neighbors we have ever had! They both fell in love with my kids, Joshua and Bella. Jerry was like another grandfather to them. He would buy them little treats when he would go out to the store. I remember this one time Jerry was putting grass like material down on the concrete and Bella asked to help. He was patient with her and let her help him. He showed her how he was measuring and cutting. At some point she ran off because she was 4 and has the attention span of a fly! A little while later Jerry was knocking on the door and asked for Bella. He told her she did a good job helping but next time she needs to remember to stay and finish the job. He then handed her some money and told her that was payment for her time. She was more excited to see how it looked finished than the money. She told people in our family that she helped put that down and was very proud. I attached some pictures from that Christmas. It was a hard one as I had lost my father in September of 2019 and it was the first Christmas without him. Lynn and Jerry showed up with gifts for the kids and my husband and I. It was so sweet.

*My prayers for Jerry's family and friends! We are sad he is gone but so happy we got to know him and love him! Thank you Lynn for taking such good care of him! Rest In Peace Jerry! We love you!

Brother Jerry,

*It's been a long day without you, my friend.
And I'll tell you all about it when I see you again.*

*We've come a long way from where we began.
Oh, I'll tell you all about it when I see you again.*

*Darn, who knew?
All the planes we flew, good things we been through.
That I'd be standing right here talking to you,
'Bout another path, I know we loved to hit the road and laugh.
But something told me that it wouldn't last.
Had to switch up, look at things different, see the bigger picture.
Those were the days, hard work forever pays.
Now, I see you in a better place.*

*How could we not talk about family when family's all that we got?
Everything I went through, you were standing there by my side.
And now you gone, be with me for the last ride.*

*It's been a long day without you, my friend.
And I'll tell you all about it when I see you again.
(Lyrics by Charlie Puth & Wiz Khalifa)*

*Love You All.
Milton Robinson Sr.*
