

Jerry L. Richburg

May 13, 1959 - October 21, 2016

Jerry Lee Richburg, son of Mary and the late Harry Richburg was born on May 13, 1959 at Fort Meade, MD. He departed this life on October 21, 2016. He received his education in Baltimore City and graduated from Southwestern High School in 1977. He enrolled in RETS Electronic School and graduated at the top of his class in 1979. Upon graduation he was recruited by Texas Instruments where he took a job as an Electronics Technician at the Dallas, TX location. After a few years he returned to Baltimore and continued his career.

Jerry made friends wherever he went and would go out of his way to help anyone in need of his skills or service. He enjoyed sports and fishing and had a great passion for playing his guitar, which he learned to do as a teenager. He also loved vintage movies and tv shows. Jerry could tell you anything you wanted to know about the original Star Trek television series. He could explain to you the electronics theory of how their ships and weapons operated. Most importantly, Jerry had a strong personal relationship with our Lord and Savior, Jesus the Christ. He loved to have Bible study and discuss the Holy Scriptures with his son.

He leaves to cherish his memory: his mother Mary Richburg, son, Devin Richburg, two grandchildren, Michael and Taylor, three brothers, Harry Jr., Douglas, and Larry, sister-in-law, Kathy, two nieces, Ashley and Morgan,

nephew, Douglas II, and a host of relatives and friends.

Sorry to hear of Mr. Richberg passing. The Bible reports instances where eight people were resurrected young, old, male and female. The human creator hates death and he can restore your loved one to life 1 corinthians 15:26 and Job 14:14-15

Comfort can be found in God,s word the Bible.

I remember the many conversations I had with Jerry whenever we met to say hello. Jerry was one of the most pleasant neighbors I've known.
