“ Time has a way of helping us to heal, I hope that the healing has started for your family and friends, I know that the memories may still be very strong, but I can assure you that in time the memories will come without the pain, and you will be able to focus not on your loss but on the joys and blessings you shared by having Mr Jesse in your lives, may it comfort you to know that others care and are here to help you.may it comfort you to know that the God of mercy and comfort is here for you (2 Corinthians 1:3,4), My deepest sympathy is with all of you.##imported-begin##Josephine##imported-end##

“ Please accept my condolences on the loss of your loved one. It truly is unfortunate that we must experience the sorrow associated with the loss of one we love. However, there is a source of comfort for us. God's Word, the Bible, assures us that "the Father of tender mercies and the God of all comfort...comforts us in all our tribulation." (2 Corinthians 1:3,4). It also offers us the solution to our source of distress at Acts 24:15 and John 5:28,29. Please contact me if you would like to discuss this wonderful provision further.##imported-begin##Gwen Winston##imported-end##
