“ *I am very sorry to learn that your family has loss JoAnn to death. I am sure that this must have been a very difficult time for you. I am forwarding scripture that will comfort you. Psalm 90:10 says that the usual human life span is 70 or 80 years. That was true when Moses wrote it, but that was not so from the beginning. (compare Genesis 5:3-32.) Hebrews 9:27 says, It is reserved for men to die once for all times. This, too, was true when it was written. But it was not the case before God passed judgment on sinful Adam.##imported-begin##JT Nunnally##imported-end##*

“ *Hello ! McCall's ! May I extended my fellow to you . I must say JoAnn has a very happy smile on her face, something is very funny. The world would be a great place to live if only we all could look through the eyes of smiles and happiness.To accomplish that we need to be close to our creator. In the bible Jesus said at Matt.5:3-11, nine happiness to be had. I am happy to be alive and know that the time is coming when no one will die ever again, Great news to hear.
