“ I'm sorrow to know your family have to experience the loss of a love one. Please take comfort and know that Jehovah God is aware of your pain and in the future our loved ones loss to death will one day live again upon the earth. Jesus have been given the power to resurrect those who are temporarily sleep. That is truly a comforting thought and the fact death will no longer be a threat to the future of mankind according to Rev. 21:1-3.##imported-begin##Carter##imported-end##

“ Please accept my condolences on the death of your loved one, Mr. Buggs. When a loved one dies, it tears our hearts apart knowing we can't see or talk to our loved one anymore. This is not what God wanted for his earthly children, and soon he will end old-age,sickness, and death. It will truly be a joyfull day when our loved ones come back to life in the ressurection. Acts 24:15 lets us know that there will be a ressurection of both the righteous and the unrighteous. Mr. Buggs is in Jehovah's memory, and one day he will open his eyes again. John 5:28,29. May you recieve comfort from his promises.##imported-begin##R Johnson##imported-end##
