

## John Cole

August 21, 1922 - January 6, 2002

John Cole, the third child of the late Theodore and Emma Cole, was born on August 21, 1922 in Baltimore, Maryland. He departed this life on January 6, 2002 after a lengthy illness in the Mariner Nursing Home in Glen Burnie. He attended the Baltimore Public Schools. John would take part in singing with the family, as his mother would play the organ or piano. He had a strong baritone voice. Engaging in family gatherings was a very special interest to him. He would just sit and smile charmingly. John enjoyed taking long walks and observing nature. Despite his extensive ill health, he never complained. All of us could learn a lesson by the example he set. John was usually quite cheerful, even in the face of his circumstances. John leaves to mourn: three sisters, Helen Bantam, Emma DeVillasee and Marian Moore; four brothers, Theodore, Daniel, Joshua and Edward; seven nephews, six nieces, numerous cousins and friends. He will be sorely missed. Gone but Not Forgotten John has ended the winter of his life He is emancipated from earthly strife He will ever in our hearts remain Free at last from his mortal pain!

“ *The richness of the human experience is in what is handed down from one life to the next –not simple things of mortar and stone, but memories of what one said or felt or did. Live with your good memories, as they will add to your comfort, which comes from knowing that your grief is shared and understood.##imported-begin##The March Family and Staff##imported-end##*
