“ *Please accept my sincere condolences for your loss. Death is the most painful thing in life we have to endure at present, but please know that this will not always be the case. Jehovah God's purpose is to end all sickness and death in the near future, and bring about a peaceful, new world where there will be no more sadness or tears. Millions will be raised from the dead to a world of peace according to 2nd Peter 3:13, and Psalm 37:10,11. The Apostle Paul wrote about this hope at Acts 24:15 which says, "And I have hope towards God that there is going to be a resurrection of the righteous, as well as the unrighteous." Please be comforted in knowing that one day you have the opportunity to see your loved one again.##imported-begin##R Johnson##imported-end##*

“ Please accept my sincere condolences for your loss. I too have lost loved ones in death. Even though we know that death is inevitable, it is still difficult to accept. Death was not something that God intended for us. The thought of death is always distasteful and it always will be because Jehovah God has created within us the keen desire to live forever. We never get used to it. We feel deep down in our hearts that this should not happen because, “Even time indefinite he (God) has put in their heart,” says Ecclesiastes 3:11. One of the wonderful parts of his plan is the hope of the resurrection of dead loved ones. (John 5:25, 28, 29). Please be assured that Jehovah God loves us and wants the best for us. Take comfort in the promise that he has given us at Rev. 21: 3-5 of a new earth where there will be no more death.##imported-begin##Senita Swann##imported-end##
