“ *John you will always be one of the truly good people I have ever met in my life. Like everyone has said I never saw you without a smile on your face,even when our Cowboys would lose you still had that same Liggins smile. It still seems unreal to me that you're gone. It hasn't been the same around here without you. I miss you John###imported-begin##Ronnie Sudduth##imported-end##*

“ John, Scotty and I are completely saddened by what has to be the worst news we've heard in a long time. May God wrap his loving arms around your family. Especially your Mom and daughter. We will surely miss your laughter, kindness, and most of all you. Very nice person and always minded your business no matter what. We both enjoyed being your manager at Wal-Mart and will always love you and never forget you and the good times that we've shared. We love you! “ Dear JJ, This is your little cousin Tameika. Words cannot describe how sorry I am that you are no longer with us. Knowing that you are in better place comforts my heart. I miss you so much. It's sad to know that I will never get another visit or phone call from you ever again. Never in a million years would I have guessed that I would here the news that you departed this life. My heart goes out to your mom and your beautiful daughter and everybody else who love'd you. Just as I did and still do today. There is no doubt that we will one day see each other again. I am holding on to all the memories that we have together. You are always in my heart and in my thoughts. I love you cuz. Tameika###imported-begin###Tameika Saunders Valentine###imported-end##
