“ *Best father ,Grandfather best Stepfather, brother, friend and Son. When I think of you I think about when you would record movie tapes and you loved Bruce Lee movies your favorite and cooking. You were soft spoken and slow to anger. And anyone that knew you loved you because of how friendly you were and kind hearted. You left a whole in all of your Grandchildren heart. And they couldn't have asked for a better Grandfather. You took care of them with so much love and kindness and respect. And you showed them the importance of being a family. We miss you so much and you left us so quickly that we were all so heartbroken. Because there was no time to prepare one minute you was diagnosed with cancer the next minute we were saying goodbye. You came here and you made our family complete and you filled our lives with laughter and joy and happiness and we are forever grateful. All three of your Grandsons have your name John and that's because you were an important person in your Granddaughter's lives so they honored you by naming their sons after you. You are loved then now and forever. And will always be missed. I wish you were here to see Andre your only son he looks so much like you. And had grown to be a wonderful young man and has a wonderful life with a beautiful woman name Lisa. And your daughter and Grand children are doing wonderful. I wish you were here to see all of this. They just needed more time. Sad how we don't think about how quickly things can change without warning. If only we could look beyond and see from one moment to the next what was coming I think we all would do things a lot different. You are gone physically but you are always in our thoughts and in our hearts. We keep you alive in our memories and our love for you will always be. Until we see you again Rest well and know we will all meet again Your Daughter Cathy*

“ *Hello Family & Friends, I am so sorry to hear of your loss and I am offering my condolences. The scriptures can be of great comfort to us all. I am reminded of the scripture at John 11:25,26 where Jesus says "I am the resurrection and the life. He that exercises faith in me, even though he dies, will come to life; and everyone that is living and exercises faith in me will never die at all." It is my hope that you will be comforted by this scripture.##imported-begin##Sophia Briscoe##imported-end##*

“ So sorry for your loss. The Bible makes it clear that death was not a part of God's original purpose for the earth. We are promised in the Bible that he will undo pain, old age, sickness, and death. (Revelation 21:3,4) We anxiously await that time!##imported-begin##lockley##imported-end##

“ My deepest sympathy during your time of sorrow but knows that the God of comfort is with you all during this time of tribulation. (2Corinthian 1:3-4) Due to the many unforeseen occurrences that brings tragedy to our lives Jehovah God promises one day soon Death will be no more (Rev 21:3-4) and his son have been given the authority to bring all those in the memorial tombs back to life. John 5:28-29 What a wonderful prospect for our future.##imported-begin##Carter##imported-end##
