

John H. Greer

December 11, 1961 - March 18, 2003

John Henry Greer, Jr., son of Velma Greer and the late John Henry Greer, was born on December 11, 1961 in Baltimore, Maryland. He departed this life, suddenly on March 18, 2003. John graduated from Mount Saint Joseph High School and later attended Catonsville Community College where he earned Associates of Arts degree in Communications. John also attended the University of Maryland at College Park and The Sheffield Institute of Recording Arts and received a certificate for audio technology and video production. He served six years in the United States Marine Corps and was given an honorable discharge in 1996. John was employed for the past fourteen years as an audio/visual technician at the Social Security Administration. As a businessman, John's passion and commitment in the field of graphic and visual arts, led him to start his own business, "Blue Earth Media," servicing clientele throughout the Baltimore/Washington area. A devoted husband and father; John believed in the importance of family. Being humble and sincere, he was a man of his word. He was not a man of idle chatter, and though looked upon by many as being somewhat reserved, he led a life full of conviction and quiet generosity. He had a special way of loving and living, and touched the lives of so many in, often-unexpected ways. John was steadfast and loyal to his family friends, and beliefs. He sought a life of purpose, constantly looking for ways to make a difference in the lives of his children and the world around him. He was a man of extreme creative talent, a lover of good music, priceless art and nature. He could often times be found

wherever there was a cuddly pet as he had a love for animals. John was fondly thought of by many and made lifelong friendships wherever he went. He loved without judgement and without condition. Many might say he always took the side of the underdog as he had the ability to see the goodness beneath the surface. With his boyish appearance and unique sense of humor; he brought joy to the lives of many. John leaves to cherish and celebrate his life: his loving wife, Michelle A. Greer; his beautiful daughter, Brianna Greer, affectionately called "Munchkin"; a handsome son, Shane Greer, affectionately called "Master Shane"; his mother, Velma Greer; his mother-in-law, Patricia Brown; father-in-law, Joseph Smith; grandmother-in-law, Dorothy Barmer and a host of devoted family members and friends.

“ I sure will miss John at SSA. Such a kind, compashionate, friendly young man. I worked with him a very short time, while working with the CFC Campaign in 2001 at Social Security Adm. He loved to see me in the Apollo 2001 show, acting the role of Miss Ethel, (Miss Eva's sister) He got a good laugh out of that show, John would never let me live it down, . After that show ,I was never Just Ethel to him. I was allways Miss Ethel at the Apollo. He also was an encourment to many people who might need a push to go on. John was one person, I could discuss religion with. He respected many faiths. I sure will miss him in the halls of SSA. We that worked and knew him were blessed to have worked with John H Greer Jr. He will live on in my memory.##imported-begin##ethel cooper,##imported-end##
