“ May I send a message of hope to you all. Imagine living when death is done away with as the bible say at Isa.25:8, and no one will ever say I am sick, Isa.33:24. These are promises that will come ture in the near future. I am looking forward to them happening. May all the cherished times with Mr. John help to sustain you all.##imported-begin##L.D.C##imported-end##

“ I am so very sorry that you lost your loved one in death. The death of a loved one is so hard to deal with, the pain cuts us so deeply. The bible man Job was suffering so much at a time in his life when he thought he was going to die, and he asked this question: "If an able-bodied man dies, can he live again? That"s a question people have pondered over since the beginning. Notice the answer. At Job 14:14,15 says, "All the days of my compulsory service I shall wait, until my relief comes. "You will call, and I myself shall answer you. "For the work of your hands, you will have a yearning. Yes Job knew that he had to wait in the grave until God would bring him back to life in the ressurection. This is promised at John 5:28,29 where Jesus said, "Donot marvel at this ,because the hour is coming in which all those in the memorial tombs will hear his voice and come out; those who did good things to a ressurection of life." One day your dear John will come to life again. May the promise of the ressurection comfort you, and help you to cope with your loss.##imported-begin##R Johnson##imported-end##
