“ I send my sincere and heartfelt condolences to the family at this time. May you be strengthened and comforted by the hope of the resurrection. This is a sad world we live in now. There's so much violence, sickness, and death in one place after another. It affects families the world over. Most people wonder is there a way out of this mess, and will things ever change.? When we look at the beginning of the human race, God gave us a wonderful start. Adam and Eve were created perfect with the prospect of living forever in peace and happiness. But sadly, they lost out by their disobedience, and we inherited this legacy of sadness from them. Thankfully, God has made the way out for us by sending us his beloved son, Christ Jesus, in order that everyone exercising faith in him might not be destroyed, but have everlasting life." John 3:16. So Jehovah does indeed have a purpose to get rid of this sad world and replace it with a new one. 2nd Peter 3:13 says, "But there are new heavens and a new earth in which we are awaiting, and in these righteousness is to dwell.' In that peaceful new world such things as violence, poverty, wars, crine, sickness, and death will be gone forever. You see the Sovereing Lord Jehovah will swallow up death forever, and certainly wipe the tears from all faces. Isaiah 25:8 What a wonderful day to look forward to. Even the dead will come up out of the memorial tombs and will never die again. May you be comforted by these wonderful promises. John 5:28,29###imported-begin###R Johnson###imported-end###

“ I would like to send my fellow feeling to you all, the family .One thing is for sure your heavenly father cares for you all, 1 Peter 5: 7, in all your tribulations, 2 Cor.1:4. In the near future there will be no more dying, crying or trying times for mankind as Rev.21:3-5 say, Why because our creator is making all things NEW. I truly hope these thoughts will be uplifting to read on life journey.##imported-begin##lillian Crosby##imported-end##
