“ *To family and friends: Please accept my condolences on the loss of your loved one. It's at times like this that having people who care helps us to endure the pain that death brings. However, remembering that God cares can bring us even greater comfort. We are assured of His care at 1 Peter 5:7 which invites us to throw our anxiety upon God because He cares for us. He has shown that care in giving His son as a ransom in our behalf (John 3:16). Further, on the basis of that ransom, He will fulfill the resurrection promise found at John 5:28, 29 and Acts 24:15.##imported-begin##M Bedford##imported-end##*

“ *Dear family, I know you are grieving on the loss of your loved one, but I want you to know that God has a wonderful purpose to restore life back to those who have died, and to put an end to sickness and death forever. Rev.21,4 says, "And he will wipe out every tear from their eyes, and death will be no more neither will mourning nor outcry nor pain be anymore." "The former things have passed away." By means of the resurrection many will live again. Jesus said at John 11:25, "I am the resurrection and the life, everyone who exercises faith in me even though he dies, will come to life." So your loved one will live again in God's paradise. Please find much comfort and strength in his word, the bible.##imported-begin##R Johnson##imported-end##*

“ My deepest sympathy during your time of sorrow but know that the God of comfort is with you all during this time of tribulation. (2Corinthian 1:3-4) Due to the many unforeseen occurrences that brings tragedy to our lives Jehovah God promises one day soon Death will be no more (Rev 21:3-4) and his son have been given the authority to bring all those in the memorial tombs back to life. John 5:28-29 Just think there will come a time not only will death be no more but Jehovah promises that no one will have to say I'm sick according to Isaiah 33:24. I feel the need to express these words of hope because so many of us today treasure the gift of life and we do all we can to maintain it to hold on to it. That is why it hurts so badly when our loved ones die. With so many of us desiring life today no matter how good or bad it is we still want life here on earth. No one looks forward to that time of death. That is why I am under obligation by the spirit and love of God to share that hope that is in our near future that the righteous shall inherit the earth and reside upon it forever according to Psalms 37: 29 along with the above stated promises on a paradise and peaceful earth. We all can hold true to this everlasting promise because Isaiah 55:11 states all the words Jehovah have spoken WILL NOT RETURN WITHOUT RESULTS. What a wonderful prospect for our future especially enlight of the fact that Hebrews 6:18 States of God, it is IMPOSSIBLE for him to lie.##imported-begin##Carter##imported-end##

“ To the family and friends: Please accept my sincere condolences for your loss. I too have lost loved ones in death. Even though we know that death is inevitable, it is still difficult to accept. God’s original purpose was not for us to ever die. The thought of death is heartwrenching to us and it always will be because Jehovah God has created within us the keen desire to live forever. We never get used to death. We feel deep down in our hearts that this should not happen because, “Even time indefinite he (God) has put in their heart,” says Ecclesiastes 3:11. One of the wonderful parts of his plan is the hope of the resurrection of dead loved ones. (John 5:25, 28, 29). Just imagine our loved one coming back to life in the most beautiful earthly paradise you could ever imagine! Wouldn’t it be wonderful to greet them, tears of joy running down your faces and knowing that you will never lose them in death again. Please be assured that Jehovah God loves us and wants the best for us. Take comfort in the promise that he has given us at (Rev. 21: 3-5) of a new earth where there will be no more death. These promises have brought comfort to millions. I wish the same for you.##imported-begin##Senita Swann##imported-end##
