

John Lee Graves

September 1, 1980 - May 7, 2007

John Lee Graves, III, affectionately known as “Lil John” to his family and “Pills” to his friends, was born to Lolita P. Richards and John Lee Graves, Jr. on September 1, 1980. John departed this life on May 7, 2007. John was educated in the Baltimore City Public School System. He was employed at Richards Contracting and Port of Baltimore – Local #333. John was baptized at New Rose of Sharon Church. John loved his family and friends dearly. He went above and beyond the call of duty for his family and friends. He was a very kind hearted and thoughtful young man. John was a loving and caring person who always helped others. John always had a joke to tell and a beautiful smile for all he came in touch with. John enjoyed traveling and spending quality time with his son and family. John leaves to cherish his beautiful memory: his loving mother, Lolita P. Richards; father, John Graves Jr.; stepfather, Balford Richards; son, Juwan Graves and mother, Tiara; sister, Lolisa; two grandfathers, William Perry Sr. and John Graves Sr.; two grandmothers, Amanda Graves and the late Sallie Perry; uncle, William Jr.; five aunts, Darlene, Deborah, Janice, Lynette and Vandora; six great-aunts, Mary Perry, Bernice Sanders, Esther Brown, Dola Brown, Luclise Brown and Lottie Mae Lightner; three great-uncles, J. P. Davis, Marion Brown and Israel Lightner; and a host of cousins, other relatives and friends; including a special friend, Theresa. My Baby My baby was always there for me. My baby was the one that shared laughs with me. My baby will always be in my heart And nothing will tear us apart. Me and my baby, would never fuss or fight, We

always had good times every day and every night. This is why I will never forget him I will always love and care for him. His last words to me were I love you, And I said, I love you too. John I will never ever forget you. Your baby, Theresa

To my big brother, John Graves. I love you even though we had our differences. I know it's hard to believe I'm never going to see you again and that there was a lot we had to say to each other. Just because your gone, doesn't mean you'll be forgotten. Now you finally rest in peace and leave this cruel world behind and always remember you are my big brother and I'm your little sister, nothing will change that. Also I'm going to try my best to stay strong and get through this, one day at a time... See ya when I get there. Love On Love and More than that

Your Lil' Sister, Lolisa R. Perry

“ Yesterday was your birthday baby and I just didn't know what to do with myself. Last year I came to your grave and cried while drinking your favorite drink. You know I am not an drinker so you probably laughed at me as I choked on that stuff man it was strong! But I use to watch you drink it on your birthday and how you use to do your dance and have your sneaky laugh going.. man I miss that. You would have been 28 this year, your old..I am glad that I was blessed with you in my life and I thank god everyday for that. I love you and I wish you were here to celebrate it with me. But I will have your favorite (shot of patroon and Grey goose) for you. I wish I could hold you and kiss you and tell you I am sorry. It would just make me so complete if I could hear your heart beat just once more. I carry you in my spirit and your love is forever embedded in my soul, so I know I will never be without you. I love you baby so please rest in peace and I will say my prayer for you tonight. Love You always and 4ever-

“ I am very sorry to learn about the death of John. This must have been a difficult time for all of you. I'm forwarding scripture that will comfort you. (compare Genesis 5:27 says that the usual human life span is 70 or 80 years. This was true when Moses wrote it but not so from the beginning. (compare Genesis 5:3-32.) Hebrews 9:27 says..It is reserved for men to die once for all time. This, too, was true when it was written but not the case before God passed judgement on sinful Adam.##imported-begin##JT

“ How do I say goodbye to someone I thought would live forever. The person who knew me the best, the one who taught me things in ways I'll never forget. The one who, no one will ever understand the relationship we had and bond we created. I wasn't there when you passed or even at your funeral. I didn't know about this until this past Sunday. I was so hurt; I cried and cried for hours, matter of fact I am still crying. I have so much to say to you, I have something I need to explain, I need to know that you forgive me. You use to tell me that I was too hard on myself, I am harder than any enemy could ever be to me; well baby I am now my own enemy I can't explain it but I'm hurt that I wasn't there for you when you needed me, like you were always there for me when I needed you. I was selfish, I didn't think about us, only about myself, if I would have even thought that my indestructible man could be destroyed, I wouldn't have left you behind. But John you never left my heart. I always ran to you since "96" now where am I going to run. I need you now more than ever, so I guess I'll just have to wait to see you once more when I get to heaven. I love you baby and no one could ever take that away.##imported-begin##Tanika##imported-end##

“ To the family and friends, please accept my sincere condolences during this time of your loss. Please read and find comfort in Psalms 34:18, John 5:28,29 and Rev. 21:3,4. God promises to do away with death and the pain that it causes. May these scriptures bring you strength and encouragement during your time of sorrow.##imported-begin##seam##imported-end##
