### FROM MOM

Son, I wish I could wake up and see you standing there,  
Then I would know that it was just a nightmare.

Son, I remember when you were small and how you would hold my hand,  
and as you grew older you became my best friend.

Son, I have memories that I will treasure and keep safe in my heart,  
We share a bond that time and distance can never break apart.

Son, oh how my heart aches so,

I would love to have you back and never let you go.

Son, where there was happiness, now there is sadness.

Son, how I long to hear your voice and see your beautiful smile,  
and have you back for just a little while.

Son, until that day I see you again, I will look to the sky  
and search among the stars for my son and best friend.

#### FROM SIBLINGS

As kids, we lived together, we fought, we laughed, we cried,

We did not always show the love that we had inside.

We shared our dreams and plans, and some secrets too,

All the memories we share, is what bonds us to you.

We grew to find we have a love that is very strong today,

It's a love shared by our family that will never fade away.

You are our brother not by choice, but by the nature of our birth,

We could not have chosen a better one, you were the best on earth
