“ *I am very sorry to learn of the death of John. I'm sure that this must have been a difficult time for all of you. I am forwarding scripture that will comfort you. Psalm 90:10 says that the usual human life span is 70 or 80 years. This was true when Moses wrote it but not so from the beginning. (compare Genesis 5:3-32.) Hebrew 9:27 says..It is reserved for men to die once for all time. This, too, was true when it was written but not the case before God passed judgement on sinful Adam.##imported-begin##JT Nunnally##imported-end##*

“ My deepest sympathy during your time of sorrow but know that the God of comfort is with you all during this time of tribulation. (2Corinthian 1:3-4) Due to the many unforeseen occurrences that brings tragedy to our lives Jehovah God promises one day soon Death will be no more (Rev 21:3-4) and his son have been given the authority to bring all those in the memorial tombs back to life. John 5:28-29 Just think there will come a time not only will death be no more but Jehovah promises that no one will have to say I'm sick according to Isaiah 33:24. I feel the need to express these words of hope because so many of us today treasure the gift of life and we do all we can to maintain it to hold on to it. That is why it hurts so badly when our loved ones die. With so many of us desiring life today no matter how good or bad it is we still want life here on earth. No one looks forward to that time of death. That is why I am under obligation by the spirit and love of God to share that hope that is in our near future that the righteous shall inherit the earth and reside upon it forever according to Psalms 37: 29 along with the above stated promises on a paradise and peaceful earth. We all can hold true to this everlasting promise because Isaiah 55:11 states all the words Jehovah have spoken WILL NOT RETURN WITHOUT RESULTS. What a wonderful prospect for our future especially enlight of the fact that Hebrews 6:18 States of God, it is IMPOSSIBLE for him to lie.##imported-begin##Carter##imported-end##

“ Please accept my condolences on the loss of Mr. John. May your hope be in the resurrection, which will soon take place on this earth. The Apostle Paul spoke about this at Acts 24:15. He said, "And I have hope toward God that there is going to be a resurrection of the righteous. One day your loved one will open his eyes in Jehovah's paradise earth that he is creating. Psalm 37:29 says, "The righteous themselves will possess the earth, and they will reside forever upon it. Please find comfort and strength from friends who care, and from the promises from God's word, the bible.##imported-begin##R Johnson##imported-end##

“ To family and friends: Please accept my condolences on the loss of your loved one. It's at times like this that having people who care helps us to endure the pain that death brings. However, remembering that God cares can bring us even greater comfort. We are assured of His care at 1 Peter 5:7 which invites us to throw our anxiety upon God because He cares for us. He has shown that care in giving His son as a ransom in our behalf (John 3:16). Further, on the basis of that ransom, He will fulfill the resurrection promise found at John 5:28, 29 and Acts 24:15.##imported-begin##M Bedford##imported-end##

“ Please accept my condolences for the loss of your loved one. There is much hope for our loved ones who have been taken by death. Acts 24:15 lovingly tells us- "There is going to be a resurrection." The Bible teaches that this will take place in a new world in which there will be no more death, sickness, sorrow or pain.(See Revelation 21:3-5, Isaiah 65:17) May you and your family receive much comfort and strength as you think on these promises from the Holy Bible in the days ahead.##imported-begin##Sharon Hill##imported-end##
