To my brother Ty, my heart aches just to hear your voice telling me to be quiet when I was on the phone in your room and you were trying to hear the game.

I'm so sorry I didn't get to have our Friday visit nor get to say goodbye. You told me you were not going to be here much longer I guess you were trying to prepare me. Our times together really meant the world to me.

I have been blessed to have you for my Brother
Because you were the best... And I am so very grateful that now you are free! Hug mommy and daddy for me! Love you always,
The Rookie (Little Sis)
