

Johnnie C. Thompson

April 26, 1967 - July 10, 2006

JOHNNYE C. THOMPSON was born on April 26, 1967, son of Betsy Thompson and John Clark. Johnnye received his diploma from the Baltimore City School System. He worked at various occupations including automotive, cooking and home improvement. Cooking was his favorite. Johnnye worked as a cook at several culinary establishments in and around the Baltimore area. He was compassionate, and especially for the ladies. A warm, friendly, outgoing, fun loving person, Johnnye was always full of jokes and smiles. He never turned his back on anyone and never held a grudge. Because of his jolly nature he was given the nick name Pillsbury Doughboy. Of course, after shedding a few pounds, his friends just called him Pillsbury. He was a genuine person, loyal, and extremely protective of his very close knit family and friends. Pillsbury had a wonderful sense of humor. He could poke fun and bring humor into any situation. One of his favorite stories was the one about his grandmother (Mama), and her multipurpose dishcloth. He also excelled in creating rap songs. He would perform his rap lyrics at parties and bring the house down. Pillsbury was the life of the party and fun just didn't start until he got there. There were times when Johnnye had some very difficult situations, but he made the best of his adversities by staying strong and brave. He often said life is a journey. This was cut short when the Lord took him home on July 10, 2006 to be re-united with his other dearly departed family members. Johnnye is survived by: his mother, Betsy; father, John; brother, Darnell; two sons, Donte and Ryan; daughter, Sequoia; aunts, Linda, Cynthia and Phyllis

and Shirley; his cousins, nieces and nephews and a host of other loving friends and relatives. "Johnnye, we were blessed to have had you here in our lives. You made us laugh when we wanted to cry; you will be missed everyday forever."

“ *My deepest sympathy during your time of sorrow but know that the God of comfort is with you all during this time of tribulation. (2Corinthian 1:3-4) Due to the many unforeseen occurrences that brings tragedy to our lives Jehovah God promises one day soon Death will be no more (Rev 21:3-4) and his son have been given the authority to bring all those in the memorial tombs back to life. John 5:28-29 Just think there will come a time not only will death be no more but Jehovah promises that no one will have to say I'm sick according to Isaiah 33:24. I feel the need to express these words of hope because so many of us today treasure the gift of life and we do all we can to maintain it to hold on to it. That is why it hurts so badly when our loved ones die. With so many of us desiring life today no matter how good or bad it is we still want life here on earth. No one looks forward to that time of death. That is why I am under obligation by the spirit and love of God to share that hope that is in our near future that the righteous shall inherit the earth and reside upon it forever according to Psalms 37: 29 along with the above stated promises on a paradise and peaceful earth. We all can hold true to this everlasting promise because Isaiah 55:11 states all the words Jehovah have spoken WILL NOT RETURN WITHOUT RESULTS. What a wonderful prospect for our future especially enlight of the fact that Hebrews 6:18 States of God, it is IMPOSSIBLE for him to lie.##imported-begin##Carter##imported-end##*
