“ *I would like to extend my condolence to you all. Lossing some one after almost 85 years really breaks the circle of life .In the bible it tell us that some person will live to be 70 years and others 80 years because of speical mightiness. I am looking forward to the time when dying will be no more, Isa. 25:8. Mayall the many memories and cherish times with Ms. Johnnie help to sustain you all on life journey.##imported-begin##lillian Crosby##imported-end##*

“ *To the family of Ms. Jones, I offer my sincere sympathy. It truly is unfortunat that we experience the sorrow associated with the loss of one we love. Rest assured that God purposed for us to live a long eternal life and his purpose has not changed. He offers the resurrection hope (Acts 24:15) for those who have fallen asleep in death and the hope of life everlasting (Rev 21:3,4) for those who exercise faith (John 3:16). May this provide you with comfort now and in the days to come.##imported-begin##Gwen Winston##imported-end##*

“ You know that my prayers and thoughts are with you all at this very difficult time. No words or deeds could ever quite convey my feelings, however, I wish to say that heaven has reclaimed another angel and may God's graciousness help you all get through the difficulties ahead, and memories fill the enptiness in your hearts while you heal. “ Maurice and family: The entire Boyd family sends you and yours our deepest sympathy on the lost of you mother. As you know we lost our father this year in May so we understand some of what you all are feeling. I leave you with one of my favorite bible versus that helped me get through my recent loss: Isaiah 26:3 “GOD will keep me in perfect peace, my mind is stayed on HIM: because I trust in GOD” – it's through this trust that I accept the perfect will of GOD.
