“ *Daddy I know you have been watching over me and you know that this has been very hard for me to deal with being as though Grandma died 17 days after you things around here just haven't been easy. Daddy I wanted to let you know I appreciate the long lectures it really paid off I finished school something you have always desired from me. You lived to see that happen. I wish you could be here to see another grandchild be born. I love You Daddy and I know you left this world very proud of your baby because I did everything you asked of me and more. “ Uncle Johnnie as he always will be to me although not blood related (but maybe - I am a "Scott." My father had several brothers and cousins aunts and uncles I am not familiar with) we were related and bonded by love that only God provides. I will always remember his smile, it was contagious! and his concern for everyone. Uncle Johnnie will truly be missed.##imported-begin##Min. Carolyn Blackmon##imported-end##
