“ Hello! Ellison's ! I would like to express my condolences to you all the family. Mr. Johnny was almost 74 years young. The bible say something great about age at Ps. 90:10, some people would live to be 70 years old and others 80 years because of speical mightiness. Imagine the happiness that will result when dead loved ones are resurrected.I am looking forward to that time. I hope these few thoughts will prove to be postive to read. My fellow feeling, Crosby.##imported-begin##Lillian Crosby##imported-end##

“ Junny Boy - that is what we always called you, why I don't know. What I remember about you is that I never saw you upset or angry, always smiling, always friendly. It was a pleasure having you as my cousin. I am sorry I did not get to come and see you off but God and you understand and know that my heart was with all of the family that managed to be there. We mourn your loss but rejoice in knowing you are not suffering any more. Rest in Peace Your cousin Vanessa##imported-begin##Vanessa##imported-end##
