“ *I send my condolences to the family for such a loss. May you keep in mind the Holy Scriptures, and be comforted by them. Especially, remember the scripture at John 5:28,29: It describes a hope of a resurrection for our loved ones who have passed. May you be comforted.##imported-begin##Kendra A.##imported-end##*

“ Hello ! Harris ! Sending my condolences you all . Losing a dear loved one breaks the circle of life for all. Mr. Joseph was 78 years old, as the bible say at Ps.90:10, some person will live to be 70 and others 80 years old because of speical mightiness. Just think what life would be like to live forever.Never worrying about pain, sickness, old age,eye and hearing problems, walking with a cane and walker. etc. The bible say "ALL THINGS WILL BE MADE NEW", Rev.21:3-5.The smile that Mr. Joseph has on his face will last forever as the bible say. I am looking forward to that happening.Imagine the great happiness that will result when dead loved ones are resurrected. May all the joy and happy time shared with Mr. Joseph stay close.##imported-begin##Lillian Crosby##imported-end##

“ Please accept my condolences for your recent loss. At times such as these, the scriptures can be a great source of comfort, because it is the only book from God that we can consult when we are grieving, because it lets us know of a wonderful hope for our dead loved ones. One day they will live again by means of the ressurection. Daniel 12:2 tells us, "There will be many of those asleep in the ground of the dust who will wake up." The Apostle Paul believed in this hope, because he said at Acts 24:15, "And I have hope towards God that there is going to be a ressurection of both the righteous and the unrighteous." One day our dead ones will open their eyes once again. This is jehovah's purpose, and he always fullfills his word. May you recieve the needed comfort to help you to cope by readind these wonderful promises in the bible, and by heartfelt prayers sent up in behalf of your family at this time.##imported-begin##R Johnson##imported-end##
