

Joseph L. Hightower

November 25, 1962 - February 14, 2016

Joseph Liston Hightower (Joey) was the son of William Hightower Sr. and Delores Hightower, who both preceded him in death. Joey was born in Baltimore, MD on November 25, 1962.

He graduated from Lake Clifton Senior High School in 1980 and began his career in parking that summer. He was a loyal employee of Edison Parking for twenty-five years where he received numerous awards and honors for his outstanding management and customer service. After leaving Edison, Joey had a stellar as Operations Manager at Johns Hopkins Bayview Medical Center via Broadway Services. One of Joey's favorite aspects of his job was getting to engage with people. he was known for being on campus by 4:00 a.m. and beginning each day with a smile.

Joey was diagnosed with Stage IV Pancreatic Cancer on September 11, 2015. Upon receiving his diagnosis Joey made the brave decision to concentrate on enjoying his time with his family, friends, pets and those he loved. Joey spent much of his spare time taking pleasure in his many hobbies including working on cars, computers and watching movies. He always enjoyed talking to people and engaging in conversation while sparking up new relationships. Joey lived his entire life following a righteous path and formally accepted Jesus Christ as his personal Lord and Savior on November 15, 2015. He left this world on February 14th, 2016 exactly as he desired,

peacefully and at home.

he leaves behind to cherish his memory: his wife Patricia Hightower (Thumbie), daughter Mercedes Hightower and son Joseph Hightower Jr. along with his sisters Cheryl Hightower and Glenda Tunstall (Frank). His only brother William Hightower Jr. preceded him in death. He also had many in-laws including Odessa, Peggy, Robin, Byron, Tyrene and Jay. He had a strong bond with his sisters-in-law, Theresa Maxfield and Bandi Wilson. Joey's nieces and nephews included Anne, Bria, Michael, Sade, Sean, Tonio, and Timothy. He had a particularly special bond with Derrell, Jermaine, and Kiara. He also had a host of great nieces, nephews and many other family members. Though Joey had an incalculable number of friends, he had exceptional relationships with Bill, Daryl, Dean, Elijah and Marty. He never met a person whose name he did not remember and who did not become important to him.

Joey was a kind and generous man who will always be missed; his memory will be one of love, happiness and awareness.

“ Here we are on 6/24/2021 a few days after fathers day". There hasn't been a day in the 5 years since you have been gone that I haven't thought about you. I remember 2/14/2016 like it was yesterday, a day I will never forget, I was out eating for valentines day and Aunt thumbie and mercedes called me and told me you were gone, I dropped the phone and cried tears that I still don't believed I have dried to this day. You were the most influential person in my life, I tell people all the time that most people view Michael Jordan, Martin Luther King Jr. or others as their hero's but to me you were my hero. You did things for me as only your nephew that I can never repay you for. I regret everyday how you left this earth we had a disagreement and I was to young, dumb, stubborn and naive to make it right before you left because I knew how strong you were and I just knew you would pull through and have more time. I have regretted that everyday of life since, you were the single most influential and shelf-less person I have ever meet. I pray that one day I can be as good as a father to my kids as you were to me, Mercedes and little Joey, I even thank them and Aunt Thumbie for so carelessly sharing you with me as they did. Losing you was the hardest lost that I have ever felt in my life I wish you were here to get advice on raising children but with your guidance I feel as though I am well prepared. I love you, I miss you and I hope to see you one day soon and catch up you were so much more than an Uncle and more like a father. I have since dedicated my life to being the best person I can be and making you proud. With love always and until we meet again your Nephew.

-P.S. I am going to get that Bentley and G Wagon that you always wanted if its the last thing that I do.

- Love Always

“ *Joey was among the finest people I have known in my years. While working with him at Bayview, I always got a friendly smile and hello and help regardless of the stress or rigors of the daily challenges. His smile in this photo is typical of the daily smile I got from him. I miss him and his upbeat, positive spirit very much.*

“ To the Hightower family may GOD give you all extra strenght to endure such a GREAT loss. I only met BiG Joey last year and he was walking with his cane smiling while cracking a JOKE. I always heard such wonderful things about Joey especially from Theresa his sister law, who thought he was the jack of all trades. I will keep your family in my prayer.
