“ *I send my warm and heartfelt condolences for the loss of Joseph. I hope that his family receives much comfort, and the strength to endure their loss. Keep tight hold of the holy scriptures during this time of grief, because the bible tells us of the wonderful hope for the dead. Jehovah God promises that those dead ones will live again, because Daniel 12,2 foretold that many of those who are asleep in the ground of dust will wake up one day. Jehovah promises an end to sickness and death forever, because he promises that he is making all things new. Soon he will wipe out every tear from our eyes and death will be no more. Rev 21:3-5 May you find much comfort and joy in the bible's wonderful promises, and may your precious memories of happier days help you to cope with your loss.##imported-begin##R Johnson##imported-end##*
