

## Josephine Shearn

October 13, 1921 - May 31, 2003

On May 31, 2003, God welcomed our mother, Josephine Patsy Shearn into his heavenly home. Josephine was the daughter of the late Joseph and Nancy Mullen. She was born in Lynchburg, Virginia on October 13, 1921. She attended school in Lynchburg, Virginia before moving to Baltimore at the age of twelve. She continued her education in the Baltimore City public schools where she graduated from Frederick Douglas High School and later received her Licensed Practical Nurse certificate. She spent her entire career as a dedicated and caring nurse. She met and married the late George E. Shearn in Baltimore, Maryland. They shared thirty years of married life. From this union, George and Patsy were blessed with six children. Before her failing health, she was a long-time member of Simmons Memorial Baptist Church where she served on the Nurses Auxiliary Board. She later joined Manna Baptist Church. She leaves to mourn: six children, Helene Younger, Odessa Spruill, Michael, Ronald, Barbara, and Jacqueline Shearn; two sons-in-law, Latin Younger and Johnny Spruill; one daughter-in-law, Joanne Shearn; fifteen grandchildren, twelve great-grandchildren, a host of nieces, nephews, other relatives and friends.
