

## Josue Antonio Zelaya

November 11, 1991 - November 15, 2009

Josue was born in San Miguel, el Salvador and shortly thereafter, accompanied his mother when she returned to her native country Honduras, where he spent the next thirteen years. He was the first of seven born to his mother Mirian Zelaya. Growing up Josue spent a lot of time with his grandmother Francisca Fuentes Zelaya. He remained close to his grandmother after coming to Baltimore and was always happy he received a call or letter from her. Josue loved his family and was close to his siblings; Ruth, Assad, Darwin, Paola, Fabiola and Jason. He was also close to his many cousins. It was Josue's dream to come to the United States which he achieved at the age of thirteen. Although Josue struggled with adjusting to life in the United States and with school he never lost his bright outlook or gave up. He loved to play soccer and could easily beat anyone at soccer on Playstation. He enjoyed playing billiards with his uncles and cousins. His friends talk of how he loved to make them laugh. He was popular with the girls and was invited to participate in several quinceaneras. Josue loved music and to sing. He even did some vocals on a music CD he and his friends produced. Although Josue hated homework-and maybe going to school-he enjoyed the opportunity to join the JROTC program at school. He wore his uniform proudly. Josue will remain with us always; although, he is in a better place and he knows what we are yet longing to know. He remains in our hearts and in our memories. Memories of happy and joyful times that we have shared with Josue. Although Josue was called to a better life with God at the young age of

18 we can cherish and bless the time God allowed each of us to spend with him

“ To the family, I offer my sincere sympathy. I have experienced the sorrow of losing a loved one to death and I have also experienced the comfort provided by “the Father of tender mercies and the God of all comfort who comforts us in all our tribulation.” (2 Corinthians 1:3, 4). If you “draw close to God he will draw close to you,” (James 4:8) and will become your source of comfort as well. Please allow yourself to do just this through a study of God’s word the Bible and truly learn how God will fulfill the hope he gave to all of us at Acts 24:15, the hope of a resurrection.##imported-begin##Gwen Winston##imported-end##

“ To the family of Mr. Zelaya, losing a loved one at such a young age is surely overwhelming. Please find comfort in Jehovah Gods' promise in his word the Bible at Revelation 21: 3, 4 where he promises to “wipe out all tears and death will be no more”. He has also offered us the chance to see our loved ones again at John 5: 28, 29.##imported-begin##Marilynn Wright##imported-end##

“ Lamento mucho lo que le sucedió a su familia. Me gustaría ofrecerle estímulo de las Escrituras. Muchas personas creen que Dios es la persona que toma su amigo en muerto. Santiago 1:13 dice, “Al estar bajo prueba que nadie diga: ‘Dios me somete a prueba’ Porque con cosas mala Dios no puede ser sometido a prueba, ni somete a prueba él mismo a nadie.” Nos dice que Dios no causa nuestro sufrimiento. Las Escrituras también dicen que su propósito fue que las personas viven para siempre en perfección. Dios nos dice en la Biblia que quiere realizar su propósito. Antes de eso, un gran cambio va a ocurrir. Juan 5:28,29 dice, “No se maravillen de esto, porque viene la hora en que todos los que están en las tumbas conmemorativas oirán su voz y saldrán.” Va a ser una resurrección de los muertos aquí en el mundo. Podemos abrazar a nuestros amigos otra vez, en su juventud y vigor original. Después de la resurrección , Dios restablecerá un pacifico nuevo mundo. No habrá crimen, sufrimiento o dolor. Revelación 21:4 dice, “Y limpiará todo lágrima de sus ojos, y la muerte no será más, ni existirá ya más lamento ni clamor ni dolor. Las cosas anteriores han pasado.” Hay mucha esperanza y estímulo en la Biblia. Espero que esta información le ayudó. Mucha condolencia a su familia y sus amigos.##imported-begin##Tia T.##imported-end##
