“ Hi ! Jackson's ! May I take this opportunity to send my condolences to the family and friends. Losing a dear one in death breaks the family circle. Joy had a great smile that went a long way. Life is going to be wonderful when no one dies ever again. I am looking forward to that as the bible at Rev.21:3-5, where there will be no more tears of sorrow, pain, death, All things will be made NEW. Joy like many others that have died have family member that are longing for an end to all the illness, old age, crimes, poor housing problems, death. Our heavenly father know how you all are feeling now and will give you all comfort in your trulation as 2 Cor. 1:3 say. May the happy times spent with Joy stay close in your hearts .My fellow feeling to you all , Lilliab Crosby.##imported-begin##Lillian Crosby##imported-end##

“ Dear family, I'm so sorry for your loss. She was very young, and it is especially sad when someone dies in the prime of life. One day we won't have sickness and death as our future, because this was never God's purpose for us. When you read the scriptures and study them you will find that from the very beginning Jehovah has set in motion his grand purpose to end all sickness and death forever. One day all those who are in the graves will hear the voice of our king and ransomer, Christ Jesus, and they will come out of those memorial tombs. John 5:28,29. He gives us this wonderful assurance, "I am the ressurection and the life. "Everyone exercising faith in me, even though he dies will come to life." John 11,25. Won't it be wonderful to see our loved ones come to life again? But it takes deep faith to believe God's promises, and complete trust in him that he will fullfill his word. Isaiah 55,11. Please contact me on my e-mail and I will be glad to help you to come to an accurate knowledge of God's word, the bible.##imported-begin##R Johnson##imported-end##
