“ Please accept my condolences for the loss of your loved one. Mark 5:35,36,38-42 lovingly reports on the resurrection of a young daughter by Jesus Christ. We are told of the ecstatic joy the eyewitnesses experienced at such an awesome occasion. This will happen again for many daughters in the near future. May you receive much comfort and strength every time you think about this wonderful hope from Jehovah God and Jesus Christ.##imported-begin##Mrs. Sharon Hill##imported-end##

“ To Joy's entire family, I would like to extend my deepest sympathy for your loss . Joy was truly a delight in both my life and my daughter's life. We look forward to the fulfillment of Revelation 21:4- "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away." Until then, may Jehovah God continue to be a source of comfort to the entire family.##imported-begin##Develyn Matthews##imported-end##

“ I would like to extend my deepest condolences to the entire family of Joy Michelle Bush. I didn't know Joy that well and wasn't around her that often, but the memories that I do have of her are of a funny, sweet and caring young lady. She is the mother of my cousin, Tavon's, two young children and she used to braid my son's hair. My fondest memory of Joy is the time that she agreed to braid my son's hair on very short notice and then didn't let me pay her. I think Joy was at school or work when I called and left a message for her and she called me back telling me what time she would be home and for me to bring my son over. I dropped him off and after I had picked him up and got back home he gave me back the money that I had given him to give to her telling me that she told him to give it back to me. When I called her about it she told me that since I was a "regular", that this one was on her! All I could do was smile ?? I thank God that she has left other sweet memories for her family and friends to reflect upon. I also pray special prayers for her young son, Lil Tavon and her beautiful baby daughter that I have not yet had the pleasure of meeting. My son used to have fun playing with Lil Tavon and watching Joy try to keep him busy while she did his hair. She was truly a sweet girl and will be missed. Rest in peace, young one.##imported-begin##Nicole Fitzgerald##imported-end##

“ To the Family of Joy Bush: It is never easy to deal with the loss of a loved one. May you take comfort in the memories that you have of Joy but especially take comfort in God's Word. John 5:28,29 gives us hope of the resurrection. Once you read that,may it help you to endure yor loss.Sometimes we never get over our loss we just learn how to go on. May God's spirit help you to do just that.##imported-begin##D. Fish##imported-end##
