“ I found her to be just as her name states a joyful person. Not perfect but a real person that I liked very much and it sadden me that she has fallen asleep in death so soon. I for myself take comfort and pleasure in the fact that I have gotten to know her well and truly will miss her. I look forward to seeing her again (John 5:28-29) until then I wrote this

“Deaths have left heartache only God can truly heal, but Joy’s love left a memory for all of us to feel”
