“ *I remember the day before you passed! We saw you in the hospital bed. You promised me that GOD was coming to get you that night. You begged me to go to your house and get my dad's (Joe) pictures! The next morning about 4:30 Taya called me with the news. I haven't been right since. You called your death so perfect! From that day, I always wondered if GOD sends an Angel before he takes you up with HIM. I guess one day I will know. Love you!!!!*
