“ Please accept my sincere condolences for your loss. Joyce looked like a very vibrant lady, and I can imagine how hard this is for you all. Losing a loved one is like an unreality, and is so hard to come to grips with when we realize that our loved one is really not here anymore to experience life with us. God knows the pain we go through when we lose a loved one, and he has a purpose to end all sickness, violence, and death from all the earth. Such bible verses as Isaiah 33:24 lets us know that soon "No resident will say, "I am sick.' As well as Isaiah 25,8 which lets us know that Jehovah will swallow up death forever, and certainly wipe the tears from all faces." Also there will be a resurrection of the dead, because John 5:28,29 lets us know that all those who are in the memorial tombs will hear Jesus"s voice and come out." Jehovah never fails to carry out his promises, and one day your Joyce will live again in happiness. Isaiah 55:11, Psalm 37:10,11, Rev 21:3-5###imported-begin###R Johnson###imported-end###

“ I am sorry to learn of the death of Joyce. I'm sure that this was a difficult time for all of you. I am forwarding you scripture that will comfort you. Psalm 90:10 says that the usual human life span is 70 or 80 years. This was true when Moses wrote it but not so from the beginning. (compare Genesis 5:3-32.) Hebrews 9:27 says that..It is reserved for men to die once for all time. This, too, was true when it was written. But it was not the case before God passed judgement on sinful Adam.##imported-begin##JT Nunnally##imported-end##

“ May I send my condolences to you all in your circle of life being broken. Today we all are affected by death. The bible gives uplifting words to help ease the pain of losing a dear one. In the near future no one will be dying ever again. The bible gave so much true hope for us, Romans 15:4. Our heavenly father cares so much about you all, 1 Peter 5:7. I hope these few thoughts will help to support your all in the journey of life.##imported-begin##Lillian Crosby##imported-end##
