“ My deepest sympathy during your time of sorrow but know that the God of comfort is with you all during this time of tribulation. (2Corinthian 1:3-4) Due to the many unforeseen occurrences that brings tragedy to our lives Jehovah God promises one day soon Death will be no more (Rev 21:3-4) and his son have been given the authority to bring all those in the memorial tombs back to life. John 5:28-29 Just think there will come a time not only will death be no more but Jehovah promises that no one will have to say I'm sick according to Isaiah 33:24. I feel the need to express these words of hope because so many of us today treasure the gift of life and we do all we can to maintain it to hold on to it. That is why it hurts so badly when our loved ones die. With so many of us desiring life today no matter how good or bad it is we still want life here on earth. No one looks forward to that time of death. That is why I am under obligation by the spirit and love of God to share that hope that is in our near future that the righteous shall inherit the earth and reside upon it forever according to Psalms 37: 29 along with the above stated promises on a paradise and peaceful earth. We all can hold true to this everlasting promise because Isaiah 55:11 states all the words Jehovah have spoken WILL NOT RETURN WITHOUT RESULTS. What a wonderful prospect for our future especially enlight of the fact that Hebrews 6:18 States of God, it is IMPOSSIBLE for him to lie.##imported-begin##Carter##imported-end##

“ Please accept my sincere condolences for your loss. I too have lost loved ones in death. Even though we know that death is inevitable, it is still difficult to accept. Death was not something that God intended for us. The thought of death is always distasteful and it always will be because Jehovah God has created within us the keen desire to live forever. We never get used to it. We feel deep down in our hearts that this should not happen because, “Even time indefinite he (God) has put in their heart,” says Ecclesiastes 3:11. One of the wonderful parts of his plan is the hope of the resurrection of dead loved ones. (John 5:25, 28, 29). Please be assured that Jehovah God loves us and wants the best for us. Take comfort in the promise that he has given us at Rev. 21: 3-5 of a new earth where there will be no more death.##imported-begin##Senita Swann##imported-end##

“ To the family, I offer my sincere sympathy. When we experience the sorrow associated with the loss of one we love, it pains us like no other. God's Word, the Bible, offers us comfort. At John 5:28,29 he assures us that "all those in the memorial tombs will hear his voice and come out." At John 17:3 he also tells us what we need to do to ensure we are witnesses of this great event. I offer you an opportunity to discuss these wonderful promises in detail. Please contact me.##imported-begin##Gwen Winston##imported-end##

“ I am so very sorry that you lost your loved one in death. The finality of death touches us like no other event in our lives. It's like an unreality, knowing that we can't see or talk to our loved one. The pain can sometimes be unbearable. One day soon, according to bible prophecy, Jehovah God is going to end the scourge of sickness and death, and end all violenc and horrible crimes. None of this was ever God's purpose. This world is in horrible shape, and only he has the power to bring about peace. According to his word at Isaiah 25:8 he promises to swallow up death forever, and certainly wipe the tears from all faces, and we all know what happens when something is swallowe up. It's gone forever. So this enemy of death will be gone forever. Please family, contact me. I'd like to show you from the bible how God's promises will become a reality. You can see your loved one again, not in some far-of future, but very soon. May he cmfort you in his never-ending love.##imported-begin##R JohnaonrrR##imported-end##
