“ *Juan was a great friend, who as a friend would do anything for you no matter what, he always would have you back. Juan did love sports and was great at all he played, Juan had the quickest hands and feet coordination of a professional athlete. His athletic skills you could only try to emulate but couldn't duplicate. Juan loved life and lived it to his fullest.”*

*(Lil Walt) you will forever be remembered for the laughs and fun we always shared.*
