“ *I'M sending my warm and heartfelt condolences to the Sanders family. Please keep in mind that sickness and death will not always rule as king over us, because Jehovah will do away with death in the near future. His word promises that many of those who are asleep in the ground of dust will wake up, Daniel 12,2. Scientists and doctors try so hard to find out ways to end sickness and death, but they just cannot stop people from dying. Fortunately for us, Almighty God, being our creator and the source of all life, does have the power to end all death, and he has promised to do so. Psalm 68:20 shows how he can do what no scientist has been able to do. It reads: "The true God is for us a God of saving acts; And to Jehovah the Sovereign Lord belong the ways out from death." Please keep these scriptures close to your heart, because one day our dead loved ones will live again through the resurrection, and if we are obedient children of God we will be able to be with them again for all eternity.##imported-begin##rita johnson##imported-end##*

“ To the family and friends, I offer my condolences. It truly is unfortunate that we must experience the sorrow associated with the loss of one we love. May you find comfort and strength from the "God of all comfort" (2 Corinthians 1:3,4 ) who promises at Isaiah 66:13, "Like a man whom his own mother keeps comforting, so I myself shall keep comforting you people."###imported-begin##Gwen Winston###imported-end##

“ I wish to extend my sincere condolences for the loss of Mrs. Sanders. Isaiah 26:19 lovingly informs us:"Thy dead live, their bodies will rise again. They that sleep in the earth will awake and shout for joy...The earth will bring those long dead to birth again."- The New English Bible Also, at First Corinthians 15:26 we are told of God's promise to do away with death. May you receive much comfort and strength every time you think about the wonderful hope of a resurrection and the promise of the destruction of death found in the Bible.###imported-begin##Sharon Hill###imported-end##
