“*Mom-A-Nita was a mom to any and everyone. Didn't matter who you were or your age or what you may or may not have done! If you needed a meal she feed you. If you needed a place to lay your head she opened her door for you. If you just needed to feel safe she protected you. I remember so many times she took kids/family in to her home. She took care of everyone in Azalea apartments. We as her kids called them friends but to her they were all family from day one. She constantly prayed over everyone. She was the best “CANDY LADY” ever! Love you mama until we meet again*”

Kenny, your Mother has passed the torch, you pray constantly; if there is anything I can help with let me know. God Speed Son.

My condolences to you and your family during this time. Let me say Juanita was very creative and a great teacher to the kids. Loved her decorative energy. Take care.
