“ Though during your time of grief it may not seem possible but there is always light at the end of every tunnel especially when someone dear has been separated from us due to death. Death in this present day is not something we want as a part of life’s cycle. Our heavenly father Jehovah God wants you to know that. He wants all people to know he is aware of all our suffering and losses due to our enemy Satan and he will soon rectify because this is not the way he purpose life to be. 1John 4:8 lets us know God is Love so out of his love for us he made a provision that only the true and Almighty God can do. Jehovah have promise according to Rev 21:3,4 that death one day will be no more... the things that causes pain and mourning will be no more. As for those we have lost to death, John 5: 28, 29 states those in the memorial tombs will hear God’s sons voice, Jesus Christ and will awaken from an eternal sleep that have been made a temporary state now due to the ransom sacrifice of Jesus Christ. How wonderful the day when you will be able to enjoy your once lost loved one to death. Yes Jehovah promises us the gift of everlasting life according to Titus 1:2. The righteous ones will reside on earth forever as he informs us at Psalms 37:29 because that have always been his purpose since the beginning of mans creation again stated at Titus 1:2. You can have trust in this promised hope because Isaiah 55: 11 states of Jehovah his words will not return to him without results. Yes trust in God’s word the bible because Hebrews 6:18 says it is impossible for God to lie. My prayers are with you.##imported-begin##Carter##imported-end##
