“ I thank God for allowing me to know Judy. We were friends for over 26 years. Through her illness she exemplified courage, perseverance and determination, despite all the obstacles. In the face of all her pain and suffering, she always smiled and carried on as though everything was alright. She could only do that through the strength that God gave her. You will forever be in my memories. See you on the other shore.##imported-begin##Rhonda Williams##imported-end##
