“ You don't know me but as one of Jehovah's Witnesses I would like to offer my condolences to your family. Death is such a terrible thing for a family to go through, I actually lost my mom about 2yrs ago. I'm truly grateful that I have the truth about death and look forward to the future when there will be a resurrection of both the righteous and the unrighteous.”—ACTS 24:15. I'm sure you would love to see your dead loved one again! Any Jehovah's Witnesses that you meet would love to show you in the Bible the truth about death! Again so sorry for your loss!!

“ He was the best grandad that anyone could have. He was the best great-grandfather to my daughter. She lit up his life just like he did for me. I will miss him always and forever.
