“ Peace and Blessings to All,

My mother, deceased family member known as Skinny, absolutely adored him. When I first met him as a child I noticed his smile and excitement to see his family. His smile and starry eyes were unforgettable. He had such a personality that had a lasting impact on my memory and all I can remember is how much my mother smiled when he entered into a room during family social gatherings. The posting of his picture is exactly what I remember. He always made you feel like a celebrity. Wish I could have gotten to know him better. I believe momma is smiling now and rejoicing with him again in heaven.
