“ We were so blessed to have Junior in our lives, basically all of my life. I loved it when he let us ride on the tractor with him when we were little. Not only did he help Dad with everything that he was unable to do because of his bad back, but he was truly a part of our family. He saw us all through weddings, funerals, births, and everything in between. The description of him at that wonderful service as a gentle giant was perfect. It was clear that he was loved by all who were lucky enough to know him. Junior will always be in our hearts and we will miss him terribly. We love you, Junior. Say hi to Dad for us up there! All our love to his family.
