

Justin Johnson

January 4, 1983 - December 16, 2021

Justin Michael Johnson was born on January 4, 1983 in Baltimore, Maryland to Justina Lawrence and Harold Johnson. He was the fourth of seven siblings. On Thursday, December 16, 2021, Justin was unexpectedly taken from this world. In his last moments, he died trying to do the right thing.

Justin Michael Johnson was a calm and gentle child. His protective instincts and loving spirit radiated through every aspect of his life; from his athleticism, to his daily strive to be a better man. He received his education in the Baltimore County Public School System. He graduated from Woodlawn High School in 2001, where his love for football truly blossomed. To know Justin, was to know his unending love for football, food, and family. He was renowned for his fried chicken and his infectiously goofy personality, with an even goofier laugh to match. He was proud of his hometown and his home team, The Baltimore Ravens and he made it known.

Justin was a hardworking man. Adaptable, ambitious, and involved. He was always willing to start anew, try again, and do better the next time. He loved to support those in his life and is remembered for his loyalty and earnest yearning for integrity. But what Justin would most want to be remembered for, are his children. He described them as the best parts of him. They were his motivators and reason to be. From pool trips with his children, to Myrtle Beach vacations, even just simple naps with them, were his fondest moments.

Justin leaves to mourn: his mother, Justina Lawrence; his father, Harold Johnson; his children, Anaiya, Anjelina, Justin (mother Shelley); his siblings Joy (Jose'), Johnny, Jada, Jeremiah, Darryl, and Dionna AJ); his nieces; Jasmine, Jayla, and Khloe; his nephews, Jordan, Julian, Daren, and Avery; and a plethora of other relatives, loved ones and friends, Justin was loved during his time in this world, and will continue to be loved since departing.

I text all the numbers in my phone that I had for you. You was my only real friend we both got caught up and lost in these terrible streets. We was just trying to feed our kids. So much stress we talked about it a lot. So much to say, I couldn't even pull myself together to make it to your funeral. Last time I saw you you was going though something's but you always seemed to keep a smile. You never realize how much someone means to you until they gone. I truly miss my friend, my brother. It's hard to except that your really gon, I just can't come to grips with it.

“ I met you when you were young . So cute, so sweet. I always cared about you through the years. I remember when you met Georgia and had your three beautiful children. I knew your brother J. You knew folks close to me and we were friends for for at least 15 years. You knew my children. I hate what happened to you. It was awful & ugly and you did not deserve it. I pray you are at peace now. And I hope you know that I truly cared for you

“ I am so sorry and can't believe this happened. I don't know his family and I didn't know Justin very well but we always spoke when we saw each other. He always said hi and asked me how I was doing. I will miss seeing him outback and talking about football, usually the Ravens, but about whatever game was on that day. I loved seeing his crazy socks he would wear when he would run outside to take out the trash or grab something from the car. I will miss seeing him with his baby girl, Anastasia, in his arms or walking her up the sidewalk, it always made me smile. He was a nice guy and I will miss our football chats and wish I had a chance to eat some of that fried chicken.

To Shelly - my heart goes out to you and the girls and if you need anything let me know.
