“ hey jroc, it's your niece maliyah. i love and miss you more than words can explain and i wish you were here with us today 😞 Lord knows we need you here... especially my dad(mikey) he's been torn without you. it's been so long and i was young when you sadly left us but i never forgot about you and i never will! your name and memory will forever live on! i often wonder how things would be if you were still with us but i know that you're in a better place now and i guess that makes it a little better. i can't believe i just now found this but i'm happy i did... i love you so much jroc<33!!

“ *Charlene & Family (Mikey, Brandon, Andre'(Pee-Wee) & Kevin)*
I want you to know that it really hurts my heart to write this because I never thought that I would be writing this to you. But I am so heart broken and deeply sadden to know that Justin has crossed over before his time. When I heard of the news I was totally devastated I could not believe it I had to hang up the phone and collect myself because the words that came out of Jay's mouth I was not comprehending. I have known you guys for a long time and I considered you FAMILY so your lose is definitely my loss. With all my LOVE AND PRAYERS, you have my Deepest Sympathy.

“ *Dear Justin,*
I can not wrap my mind around the fact that you are no longer here. I knew you before you were born. I loved you then, and i love you now. God has freed you from the craziness of this world. Rest in peace my nephew. You will wear a crown, and tell the story of how you made it over.
