"To Those I Love "

When I am gone, release me. Let me go  
I have so many things to see and do.  
You mustn't tie yourself to me with tears, Be  
happy, we had so many years.

I gave you my love and you can only guess  
How much you gave to me in happiness.  
I thank you for the love you each have shown  
But now it's time I traveled alone.

So grieve a while for me if grieve you must  
Then let your grief be comforted by trust.  
It's only for a while that we must part  
So bless those memories in your heart.

I won't be far away for life goes on  
So if you need me , call and I will come.  
Though you can't see or touch me, I'll be near  
with all my love around you soft and clear.

And then, when you must come this way alone,  
I'll greet you with a smile and "Welcome You  
Home".

*I'm soooooo sorry I can't be there to wish my cousin on a safe journey home. My memory of him was playing hide and seek in Virginia and when he and John got a baby Rottweiler and it had just came back with a clip tail. I remember him playing with that dog in the back yard. I remember visiting them and I wanted cereal in the morning and there was no milk so me justin and Jon and Maurice walked miles to go buy some milk just so we could have cereal.*
