

## Kali Breeze Beatty

August 7, 2018 - September 12, 2018

### Baby Kali

Kali Beatty, who lived 36 days, died in her parents arms at Chippenham Hospital on Sept. 12, 2018 . She fought gastroschisis, a birth defect of the abdominal wall, as long as she could endure. Although her life was short, her impact moved mountains. She loved to be cradled and kept warm and if our love could've saved her, she would live forever. She is survived by her parents, Ja'Nea Bates & Amir Beatt; loving big sister, Arii"Yanni Bates; grandparents, Wendy & Darna Carter; grandparents, Vernon Beatty & Kelly Young. Kali, a special person, special face, someone we love and can never be replaced.
