“ Karen, "Niecey", as we called her, was a wonderful wife, mother, sibling and friend. I will always remember her smile, her accent and the way she would just shake her head at some of Dwight's and Shawniece's antics. She loved her kids and no one can deny that she loved Dwight! Though I didn't see her often I will miss Niecey. I pray comfort for Dwight, the kids and her siblings. Know now that she is resting in the arms of Jesus, the true Healer.

“Karen and I met when we both started at Bank of America the same year—me in April and her a few months later in July, if my memory serves me correctly. Over the years, I had the joy of getting to know her husband and children, and our connection grew into a meaningful and lasting friendship.

There came a time when I asked Karen for advice on finding a primary care doctor, and she recommended the one she trusted. I took her advice and began going to him as well—just one of the many ways she looked out for me.

One memory that always makes me smile is a story she shared about her husband. Back then, going to the doctor could take hours. On one visit, because he was so busy and valued his time, he told the office to call him when they were ready to see him—and he would come back. And they actually did just that. Karen and I laughed about that so many times. It’s a memory I will always hold close to my heart.

Over the years, Karen and I grew to truly love each other and became dear friends. I will miss her beyond words.

My heart hurts for all of you. May God grant you peace and comfort during this time. Please know that you are all in my thoughts and prayers today and always. Monica Golden
