“ Dear Family, Friends, and the special Rogers & Grove Park family from the Hood. I'd like to tell you about boy, young man and Ma I knew and loved for a half a century, my good friend and Brother, Karl Thomas. I want to take you back to those special magical times when we played in the streets all day in the summer days, played sports, the ice cream truck, the hanging on the front step, the sprint from bad dogs or neighbors :-), the hop over the fence to find the lost ball, the woods, the corner store, the bike rides, Oriole games as we talked smack and showed off for the girls we "crushed on" before we went inside to avoid getting in trouble before the lights came on for dinner; Where as families we were pathfinders integrating neighborhoods and being those beacons for young ones letting them play with us and blazing trails in academics, sports, and technology. A true "STAND BY ME" times like the movie where the neighborhood crew became your family and a dreamed a day would never end. That was Karl the Big Brother our "Mountain Man" that led us all where his gentle heart was as big as his bat swing and his IQ as he entered the world of technology as a teen moved onto a "real profession" at Social Security and before blazed a trail at City College. The jokes we shared about Poly (My Dad's alum as an original) and his pride in CITY were unparalleled. As I moved on in life thru life in sports, technology, and beyond to unimaginable heights my Brother and friend Karl was always there with smile, a joke and a philosophical line for the ages. You will be missed my Brother but always there because as they said in the movie, Stand By Me" do we ever have authentic friends like that again life who know and love you for just being you? I think not . Rest in Power my Brother until the lights come on for the rest of us.... Your Brother --- Love Nick and the Rogers crew --- Dru, Mike, Clay, Nisey, Wheelers, Donald, Eddie, Junior, Bernie, Kirk, Jim Jim, Wayne, Todd, Indy and all of the Savages.
