“ *Cousin Kathy you were a kind and caring person. I recall meeting you for the first time when you and family came to my workplace after finding out I was living in Richmond, VA at that time. Our mother's were first cousins and had talked. It warmed my heart then and also in July when I got to speak to you with the 3 way call. Continue to walk in love and kindness. I pray God will comfort and strengthen the family at this difficult time.*

*I know it's hard for me to put into words how I feel right now, but I'm so grateful for the years God granted me to in the midst, of my loving sister Kathy. There's no words to express, how much I'm going to miss her. The jokes we shared and the songs we sang , her qwerky laughter and her beautiful smile, just made any room light up. She was such a joy to be around. I loved her ambition her hard work and her style and no one could out dress her, no matter how many times I tried. All this to say, I'm going to really miss big sister and I will always love.*
