“ Hello Ladybug,  
I have been having a rough time lately and I wanted to leave you a message. Although I know you wouldn't agree with it due to the conversation we've had but it somewhat makes me feel better. Everyday is a struggle and the faith and my strength is constantly being tested. I miss you so much and i havent been the same without you. You truly was all i had a big piece of my heart is now gone. Everyday it seems like the pain gets worse, whatever happen to the pain would get lighter?! On the days I want to throw in the towel I manage to hear your voice telling me to keep pushing as only you would say. Well all i can say is I'm trying.  
I miss you and love you so so so much and I hope that one day I will be able to hear your laugh again.

Loving you forever and always your TaWanda

Mom,  
I miss you so very much. I know I was never the backbone, dependable daughter. I guess I felt spoiled. You were always there for me but was I there for you? I can you you now". That ole Margie ain't worth two cents. ". Because I'd say I was coming over to visit and never did. You helped make my children the wonderful, kind, hardworking people they are to this day. I'll always love you. Thank you for being there for me.

“ Our family would like to express condolences to The Silver Family. May you find comfort from Jehovah God's Word The Bible where He assures us that our dear loved ones have the hope of a resurrection to a beautifully restored paradise earth. He even promises us at 1 Corinthians 15:26 that "the last enemy death will be brought to nothing". Our prayers are with your family.
